**Extra Credit**

I will occasionally give extra credit. It will most often replace portions of an assignment. Please don't ask for extra credit.

**Late Work**

You will be able to submit one assignment as late for full credit and after that all late assignments will be given half credit.

**Time Commitment**

As a general rule you should spend at least twice as much time outside of class as in class.

**Tips for Success**
One cannot learn all of the material by just reading the text. Practice is critical when learning new software and programming languages. Successful students read the upcoming material ahead of time. They participate actively in class. If you are struggling with any concept please come see me during my office hours. The number one thing you can do is ask questions when you don’t understand something.

Technical Support

For assistance with Canvas or related technical issues, please call 626-6499. This phone is staffed Mon-Thurs from 8am - 5pm and Fridays from 8 - 4:30pm. A message can be left during non-business hours for a return call. Alternatively, students can send an email message to wsuonline@weber.edu

If you are having technical issues related to usernames/passwords, please call the Service Desk at 626-7777, or email csupport@weber.edu.
