Course Syllabus

General Course Information

- **Instructor:** Garth Tuck
- **Office Location:** Technical Education 111B
- **Office Hours:** Tuesday & Thursday 1:30 pm - 4:00 pm
- **Phone:** 801-626-7958
- **E-mail:** gtuck@weber.edu
- **Classroom:** Technical Education 109C
- **Class Times:** Tuesday & Thursday 7:30 am - 9:20 am

Textbook:

There is no specific text book for this class. Although we will use multiple online resources.

Course Objectives:

This class is an introduction to server-side Web development using the most current Web server technologies. General Web development principles such as usability, reliability, maintainability and scalability will be applied to current Web development environments. Students will gain real-world experience in creating Websites for multiple Web platforms.

Website:

Supplementary information for the course is available on WSU Online at https://weber.instructure.com/courses/286983. The Web site contains class notes, PowerPoint slides, class announcements, the course syllabus, tests, and other information for the course. Also, you will submit the end-of-chapter case project assignments via WSU Online on the due date.

Communication:

If you have any questions about the course or need assistance, please contact me in person or by telephone during office hours; or via WSU Online at any time.

Grading and Evaluation Criteria:

- 20% - In Class Assignments
- 30% - Homework Assignments
- 40% - Projects
- 10% - Discussions & Attendance

Course Outline:

- Week 01 - Welcome to class & Overview of Web Architecture and Technologies
- Week 02 - Exploring the Web Developer Workflow
- Weeks 03-05 - HTML5, CSS3 & Javascript
- Weeks 06-08 - Advanced Javascript, jQuery & AngularJS
- Weeks 09-12 - PHP/mySQL & NodeJS
- Weeks 13-15 - Final Project Manage Module

Honesty policy:

CS Department policy dictates that any verifiable evidence of student academic cheating, as defined and determined by the instructor, will result in:

1. an automatic failing grade for the class and
2. a report to the Dean of Students that will include the student's name and a description of the student's dishonest conduct.

What constitutes cheating? As per the WSU Student Code in the PPM:

The following activities are specifically prohibited:

a. Cheating, which includes but is not limited to:
   i) Copying from another student's test;
   ii) Using materials during a test not authorized by the person giving the test;
   iii) Collaborating with any other person during a test without authorization;
iv) Knowingly obtaining, using, buying, selling, transporting, or soliciting in whole or in part the contents of any test without authorization of the appropriate University official

v) Bribery any other person to obtain any test;

vi) Soliciting or receiving unauthorized information about any test;

vii) Substituting for another student or permitting any other person to substitute for oneself to take a test.

b. Plagiarism, which is the unacknowledged (uncited) use of any other person’s or group’s ideas or work. This includes purchased or borrowed papers;

c. Collusion, which is the unauthorized collaboration with another person in preparing work offered for credit;

d. Falsification, which is the intentional and unauthorized altering or inventing of any information or citation in an academic exercise, activity, or record-keeping process;

e. Giving, selling, or receiving unauthorized course or test information;

f. Using any unauthorized resource or aid in the preparation or completion of any course work, exercise, or activity;

g. Infringing on the copyright law of the United States which prohibits the making of reproductions of copyrighted material except under certain specified conditions.

Students with Disabilities:

“Any student requiring accommodations or services due to a disability must contact Services for Students with Disabilities (SSD) in room 181 of the Student Services Center. SSD can also arrange to provide course materials (including the syllabus) in alternative formats if necessary.” For more information about the SSD contact them at 801-626-6413, ssd@weber.edu, or http://departments.weber.edu/ssd
