Course Description

This course prepares students to work with Microsoft Office 2016 in a career setting or for personal use. Using courseware that incorporates a step-by-step, project-based case study approach, students develop an introductory-level competency in Office. Students also develop an understanding of fundamental computer hardware and software concepts.

Students will use current software to produce correctly formatted research papers with an accepted academic reference format such as MLA or APA. Students will use current software/technology to produce effective employment documents such as a resume and a cover letter. Students will also be able to use multiple collaboration mediums to effectively share, communicate, and collaborate with their peers. Keyboarding 25 wpm recommended.

Course Outcomes

At the conclusion of this course students will be able to complete or have an understanding of the following:

- Editing and Formatting Documents.
- Preparing Documents.
- Formatting Characters and Paragraphs.
- Customizing Paragraphs.
- Formatting Pages.
- Enhancing and Customizing Documents.
- Applying, Formatting, and Inserting Objects.
- Creating Tables and SmartArt.

This is a project based course. You will not be taking exams in this course.

All course work must be completed by APRIL 23, 2018.

If this course was held as a face-to-face class, the class would meet for about three hours per week. You will need to plan on SIX to EIGHT hours of work PER WEEK for this course.

The last day to withdraw from this class and from school is the end of the seventh week, **MARCH 27**. If you would like to withdraw, do so by this date.

Be aware that assignments are listed in modules.

Tips for Success

One cannot learn all of the material by just reading the text. Practice is critical when learning new software. Successful students read the upcoming material ahead of time. They participate actively in class. If you are struggling with any concept please come see me during my office hours. The number one thing you can do is ask questions when you don't understand something.

Canvas

For assistance with Canvas or related technical issues, please call 626-6499. This phone is staffed Mon-Thurs from 8am - 5pm and Fridays from 8 - 4:30pm. A message can be left during non-business hours for a return call. Alternatively, students can send an email message to wsuonline@weber.edu

If you are having technical issues related to usernames/passwords, please call the Service Desk at 626-7777, or email csupport@weber.edu.

Accommodations for students with disabilities

Any student requiring accommodations or services due to a disability must contact Services for Students with Disabilities (SSD) in room 181 of the Student Services Center. SSD can also arrange to provide course materials (including the syllabus) in alternative formats if necessary.

For more information about the SSD contact them at 801-626-6413, ssd@weber.edu, or departments.weber.edu/ssd
